

# Request for Proposals

## Regulatory Assessment and Recommendations on Electricity Capacity Utilization and Energy Storage Integration in Armenia

### 1. Introduction

HELVETAS Swiss Intercooperation, with support from the Swedish International Development Cooperation Agency (Sida), invites all interested and eligible applicants to submit their proposals in the field of accessing sustainable and green finance.

This opportunity is offered under the RECONOMY program—an inclusive economic development initiative operating across 11 countries in the Eastern Partnership and Western Balkans. In the Western Balkans, RECONOMY focuses on promoting inclusive and green economic opportunities for youth, women, and disadvantaged groups.

In partnership with the Swedish International Development Cooperation Agency (Sida), HELVETAS Swiss Intercooperation is leading a regional inclusive economic development program, RECONOMY, in 11 countries in Eastern Partnership (Armenia, Azerbaijan, Georgia, Ukraine, Moldova), and the Western Balkans (Kosovo, Albania, Montenegro, Serbia, Bosnia and Herzegovina and North Macedonia). The program was launched in 2020 with the inception phase that ended for the Eastern Partnership countries in December 2022 and in March 2023 for the Western Balkans. The main phase is foreseen for four years, which started in January 2023 and will last till the end of December 2026.

### 2. Requirements

#### 2.1 Technical Requirements

Technical Requirements should consider **Terms of Reference for “Regulatory Assessment and Recommendations on Electricity Capacity Utilization and Energy Storage Integration in Armenia ”**, and other provisions of this Request.

#### 2.2 General Terms and Conditions

By submitting the proposals, the applicants confirm acceptance of **HELVETAS General Terms and Conditions of Business**. Please refer to Annex 3.

#### 2.3. Language/s: ENGLISH

### 3. Eligibility for participation

#### 3.1 Eligible Applicants

Participation is open to group of experts and consultancy companies that are qualified and experienced in **researching focused on optimization of Electricity Capacity Reservation and Utilization Mechanisms and Energy Storage Integration**.

### 3.2 Exclusion Criteria from participation

Applicants shall be excluded from taking part in the procurement procedure if they meet at least one of the Exclusion Criteria described in Annex 1.

Applicants must certify on honour in their Proposals that they are not in any of the situations described in Annex 1 - Exclusion Criteria. Please use the template provided in Annex 2.

## 4. Selection Criteria

Eligible applicants meeting the following qualifications are invited to submit a proposal:

- At least **7 years of proven experience and technical expertise of key experts** in energy sector policy, regulatory analysis, energy markets, infrastructure planning, or related fields.
- Strong understanding of electricity systems, regulatory and energy efficiency policy environments.
- Demonstrated ability in analytical research, assessments, and development of practical policy and regulatory recommendations.
- Engagement in the electricity market liberalization and renewable energy reforms in Armenia.
- Good understanding of green transition, sustainable infrastructure, or energy efficiency topics is an advantage.
- Familiarity with Armenia's energy sector and institutional environment, and experience working with the Public Services Regulatory Commission of the Republic of Armenia.
- Experience working with development programmes, public institutions, regulatory bodies, or donor-funded initiatives is an advantage.
- Proven excellent analytical, report writing, and presentation skills.

## 5. Application Procedure

### 5.1 Documents to be submitted:

Proposals should include the following documents:

- Technical Proposal (as described in the ToR)
- Financial Proposal (as described in the ToR)
- Certification on Honour, (Annex 2)

**Note:** All the above-listed documents are mandatory for submission. If any of these documents are not presented, the proposal will not be qualified for the evaluation process.

### 5.2 Submission of Proposals

Proposals should be delivered to [reconomyprocurement@helvetas.org](mailto:reconomyprocurement@helvetas.org), with the subject line "Consultancy on Electricity Capacity Utilization and Energy Storage Integration in Armenia", by **23 June 2026**.

## 6. Evaluation

Proposals shall be evaluated on the basis of their completeness, compliance, and responsiveness to the Terms of Reference and other provisions of this Request for Proposals.

## 6.1 Awarding Criteria

Proposals shall be evaluated based on the **Best price – Quality ratio** criteria as follows:

- A. Technical Proposal - 70%
- B. Financial Proposal – 30%
